www.rdmrc.org.uk / www.railex.org.uk

Affiliated to The Model Railway Club

Member of the Chiltern Model Railway Association

Policy– Electrical Safety of members own equipment

Many members will be bringing their own electrical equipment to club meetings. Any equipment that is brought to the club must be in a safe condition and be in accordance with club policies and risk assessments. The Trustees are responsible for safety and must ensure this equipment is safe. To do this we will be arranging free inspections and where required PAT testing for this equipment.

The Trustees have the right to ask members to stop using any equipment that is not safe.
